Cover: The four national peak bodies of the Australian wine industry released their joint Wine Restructuring Action Agenda statement midway through last month. The radical 'call to action' sent the blunt message to industry that it must confront the reality of oversupply.

Pictured: Andrew Cheesman (Australian Wine and Brandy Corporation chief executive), Mark McKenzie (Wine Grape Growers' Australia executive director), Stephen Strachan (Winemakers' Federation of Australia chief executive) and John Harvey (Grape and Wine Research and Development Corporation executive director).
